## GLOBAL TRENDS AND PROSPECTS

---

### Chapter I

<b>THE WORLD ECONOMY: PERFORMANCE AND PROSPECTS</b> .....	<b>3</b>
<hr/>	
<b>A. Introduction</b> .....	<b>3</b>
<b>B. Developed economies</b> .....	<b>9</b>
1. Economic policy stimuli have boosted domestic demand and output recovery in the United States .....	<b>9</b>
2. Weak domestic demand hampers economic growth in Western Europe .....	<b>12</b>
3. Export-led recovery in Japan following a decade of stagnation .....	<b>16</b>
<b>C. Developing and transition economies</b> .....	<b>19</b>
1. Dynamic performance in East and South Asia, largely driven by Chinese economic expansion ....	<b>19</b>
2. Economic performance in West Asia still deeply shaped by the oil sector and political instability ....	<b>25</b>
3. Export growth helps economic recovery in Latin America, but sustainable growth remains elusive ...	<b>29</b>
4. Growth remains subdued in Africa, despite improvement in commodity prices .....	<b>34</b>
5. EU enlargement and rising oil prices support resilient growth in transition economies .....	<b>36</b>
<b>Notes</b> .....	<b>41</b>

---

**Chapter II**

<b>INTERNATIONAL TRADE AND FINANCE</b> .....	43
<b>A. International trade</b> .....	43
1. Global trade recovery: developing and transition economies play a major role .....	43
2. Commodity prices on the rise, mainly driven by expanding demand in China .....	49
<b>B. Capital flows and finance</b> .....	57
1. Capital flows from developing to developed countries .....	57
2. Regional developments .....	59
3. Large build-up of reserves .....	61
4. Financing conditions .....	66
5. Calm year for financial markets, no major currency crises .....	68
6. FDI to developing and transition economies declines .....	68
<b>Notes</b> .....	69
<b>REFERENCES – PART ONE</b> .....	71

**Part Two**

**POLICY COHERENCE, DEVELOPMENT STRATEGIES AND  
INTEGRATION INTO THE WORLD ECONOMY**

<b>INTRODUCTION</b> .....	75
---------------------------	----

**Chapter III**

<b>OPENNESS, INTEGRATION AND NATIONAL POLICY SPACE</b> .....	79
<b>A. Introduction</b> .....	79
<b>B. Unbalanced integration in the 1920s</b> .....	81
<b>C. Recasting multilateralism: development challenges and the origins of UNCTAD</b> .....	85
<b>D. Interdependence after Bretton Woods</b> .....	91
<b>E. Interdependence, international collective action and policy space</b> .....	95
<b>Notes</b> .....	98

Chapter IV

<b>FOSTERING COHERENCE BETWEEN THE INTERNATIONAL TRADING, MONETARY AND FINANCIAL SYSTEMS</b> .....	101
--	-----

<b>A. Building the international competitiveness of developing-country exporters</b> .....	102
<b>B. Impacts of monetary and financial factors on developing countries' export performance</b> .....	104
1. Impacts of exchange rate changes on enterprise investment and competitiveness .....	106
2. Sharp exchange rate changes and developing countries' export performance .....	110
<b>C. Policy adjustment with open capital accounts</b> .....	125
1. The dilemma posed by capital account openness .....	126
2. Patterns of adjustment .....	127
3. Multilateral solutions are the answer .....	131
<b>Notes</b> .....	133

Annexes to chapter IV

<b>Annex 1</b> The Concept of Competitiveness .....	135
<b>Annex 2</b> The Set-up of Econometric Estimates of the Impact of Exchange Rate Changes on Trade Performance .....	143

<b>CONCLUSIONS AND POLICY CHALLENGES</b> .....	147
--	-----

<b>REFERENCES – PART TWO</b> .....	151

## List of tables

---

<i>Table</i>	<i>Page</i>
1.1 World output growth, 1990–2004 .....	4
1.2 GDP growth in selected developing and transition economies, 1990–2004 .....	6
2.1 Export and import volumes of goods, by region and economic grouping, 1990–2003 .....	45
2.2 World primary commodity prices, 1998–2003 .....	48
2.3 Growth in the consumption of selected primary commodities in 2003: China and the rest of the world .....	52
2.4 Export volume, purchasing power of exports and terms of trade of developing countries, 1980–2003 .....	55
2.5 Net capital flows and the current account: developing and transition economies, 1996–2003 .....	58
3.1 Merchandise exports as a share of GDP, 1913 and 1929 .....	82
3.2 Foreign direct investment, 1913 and 1938 .....	82
3.3 Average tariff rates on manufactured products for selected countries, 1913–1931 .....	83
3.4 Economic performance before the First World War and after the Second World War in selected countries .....	87
4.1 Impact of changes in exchange rates and income on external performance: estimation results, 1971–2002 .....	116
4.2 Impact of changes in exchange rates and income on income shares of imports and exports: estimation results for selected periods .....	117
4.3 Impact of changes in exchange rates and income on the merchandise trade balance: estimation results for selected country groups, 1971–2002 .....	118
4.4 Impact of changes in exchange rates and income on income share of exports: estimation results for selected country groups and periods .....	120
4.5 Major currency depreciation and appreciation events, selected economies, 1970–2002 .....	121
4.6 Impact of changes in exchange rates and income on external performance: estimation results for different sizes of exchange rate change, 1971–2002 .....	123
4.7 Impact of changes in exchange rates and income on the merchandise trade balance: time path of adjustment, 1971–2002 .....	124
4.A1 Innovative investment, exchange rate changes, and international competitiveness: a numerical example .....	141

## *List of figures*

---

<i>Figure</i>	<i>Page</i>
1.1 Industrial production in the G-3 and emerging-market economies, 1991–2004 .....	8
1.2 Total non-farm employment in the United States .....	10
1.3 Pre- and post-tax personal incomes in the United States, 2000–2004 .....	11
1.4 Trade balance, real effective exchange rate and GDP growth in the United States, 1994–2003 .....	11
1.5 Exports of goods and services, selected developed economies, 1996–2003 .....	13
1.6 Private final consumption expenditure, selected developed economies, 1996–2003 .....	13
1.7 Real compensation of employees, selected developed economies, 1996–2003 .....	14
1.8 Real short- and long-term interest rates in the euro area and the United States, 1996–2004 .....	15
1.9 Real wage indices and real household disposable income in Japan, 2000–2003 .....	17
1.10 Trade balance and real effective exchange rate in Japan, 1999–2004 .....	18
1.11 Real effective exchange rate for selected Asian countries, 1997–2004 .....	20
1.12 Factors contributing to GDP growth in China, India and the Republic of Korea, 2000–2003 .....	21
1.13 Current account balance, real effective exchange rate and GDP growth, selected developing countries, 1994–2003 .....	28
1.14 Factors contributing to GDP growth, selected Latin American countries, 2000–2003 .....	31
1.15 Current account balance, real effective exchange rate and GDP growth in Poland and Hungary, 1995–2003 .....	37
1.16 Nominal interest rate and inflation differentials of Poland and Hungary with the euro area and real effective exchange rate, 1999–2004 .....	38
1.17 Current account balance, trade balance in manufactures, real effective exchange rate and GDP growth in the Russian Federation, 1996–2003 .....	40
2.1 World GDP and export volume growth, 1990–2003 .....	44
2.2 Monthly exports and imports of goods and trade balance in the United States, 1998–2004 .....	46
2.3 Commodity price indices by commodity group, and crude petroleum price, 1996–2004 .....	50
2.4 Commodity price indices, unit value indices of developed-country manufactured exports and exchange rate, 1996–2004 .....	51
2.5 Commodity terms of trade and real commodity prices, excluding petroleum, 1970–2004 .....	54
2.6 Crude petroleum prices, nominal and real, 1970–2004 .....	54
2.7 Prices of United States imports of manufactures, by origin, 1990–2003 .....	56
2.8 Yield spreads of selected internationally issued emerging-market bonds, 1998–2004 .....	67

---

## List of figures (concluded)

---

<i>Figure</i>	<i>Page</i>
4.1 Exchange rates and share in world exports of manufactures, selected developing economies, 1970–2002 .....	115
4.2 Currency depreciations and trade performance: time path of adjustment .....	118
4.3 Currency depreciations and export market shares: time path of adjustment for major exporters of manufactures .....	119
4.4 Trends in the real effective exchange rate, income and trade performance, selected developing countries, 1990–2002 .....	122
4.5 Incentives for short-term international portfolio investment in selected countries, 1995–2003 .....	128
4.6 Alternative exchange rate regimes and incentives for short-term portfolio investment in selected economies, 1995–2003 .....	130

---

## List of boxes

---

<i>Box</i>	<i>Page</i>
1.1 Overinvestment and policy constraints in China .....	22
2.1 Asia's savings and the United States' external deficit .....	63

---
